October

Dear parents,

September certainly flew by and we are in the swing of things! The children are learning about life on the farm, community helpers, habitats, wild weather and Halloween this month. We are so excited to bring back fall festival this month! This event is filled with fall fun such as a petting zoo, fall games, face painting, and we get apple cider donuts for a snack! Hopefully this time next year we will be able to do all of our fun fall activities!

Sincerely,

Jaimie Williams
