

Positive Place Preschool

Monthly Newsletter

August

Dear Parents,

We only have 3 more weeks of Camp Little Bear and we're having so much fun! This month our themes are: The Wizarding World of Preschool, Fairies and Friends and Summer Scientists. Our campers have been enjoying special snacks, fun activities and have been making some great crafts. Our last day of camp is August 20th, we will be closed the following week to clean and prepare for the new school year beginning on August 30th. For those who are staying in the fall please be sure to update your child's emergency contact form and be sure to send in all updated immunizations.

Sincerely,

Jaimie Williams

Director of Early Childhood Education
