Monthly Newsletter

July

Dear Parents,

Camp Little Bear has officially begun and we are looking forward to a summer of sun and fun! Our weekly themes this month are America The Beautiful, Wild World of Sports, Preschool Paradise, Lego Mania and The Olympics. Please remember to bring in sunblock with a topical permission form and lots of water. If there is an air quality alert or heat advisory our preschool classes are not permitted to go outside.

Sincerely,
Jaimie Williams
Director of Early Childhood Education
