Monthly Newsletter

October

Dear parents,

September certainly flew by and we are in the swing of things! The children are learning about life on the farm, community helpers, habitats, wild weather and Halloween this month. October is always a favorite month of mine due to all of the special events we normally have; fall festival, the firetruck visit, back to school night and our Halloween sing a long and parade. Those events won't be able to happen as they normally do this year due to COVID-19. However, we are working on alternatives to those events. For example, back to school night will be virtual and we still plan on children dressing up for Halloween. We hope everyone is staying safe and healthy!

Sincerely,

Jaimie Williams
