The Boys & Girls Club of Hawthorne continues to be on the forefront when it comes to meeting the needs of our community's youth since 1947. During these very challenging times, our Boys & Girls Club continues to be a safe haven and beacon of hope for the 1,700 youth members we serve. The Club provides a nurturing environment and is open when children need us most! Our pre-school, before/after-school, social, athletic and summer camp programs continue to provide lifetime experiences promoting youth development and a sense of competence, usefulness and belonging in each child we serve.

2025 marks the 78th year our Club has served the youth and families of Hawthorne, and our goal is to serve more kids than ever before! With your support and generous contributions, we are sure to make our goal a reality!

Thank you for your continued financial support of our Club every year! You can make a difference in the life of a child! Help us create GREAT Futures TODAY!

Thank you,

John Bertollo, Chief Executive Officer
